BETTERING YOUR WORLD

About

PT Lautan Natural Krimerindo (LNK) is your food and beverage ingredients partner. With a strong expertise in F&B ingredient manufacturing, LNK delivers high-quality solutions designed to support the growth of businesses not only in the industrial and retail segments, but also in the food service industry. With almost two decades of experience, LNK continues to innovate to meet the evolving needs of the industry. We are now expanding our capability, not only providing you with spray-dried ingredients but also versatile liquid forms. Supported with an experienced team, state-of-the-art production facilities, and a strong commitment to innovation and sustainability, we strive to deliver consistent quality while building long-term collaborations that create meaningful value for our partners.

VISION

A better world through what we do.

MISSION
